LOST OR STOLEN CARD?

Emergency card and cash replacement are standard features of your card. Continue to access your card account in a pinch by simply calling Customer Service and reporting the number of the lost card. Customer Service will cancel the lost card, and a replacement will be mailed to the address on record or to a location you have designated. Emergency replacement cards with cash replacement typically arrive in one (1) to four (4) business days, depending on your location and local business hours.

REMEMBER: Cards not reported as lost or stolen will remain active. If you have a secondary card, you may still access your funds.

HELPFUL TIPS WHEN USING YOUR CARD...

Eating at Restaurants

An extra 15-20% of the bill may be preauthorized for gratuities. Ensure the balance on your card exceeds this total.

Pumping Gas

Pay inside the station to avoid holds placed on the card from pay-at-the-pump transactions.

Reserving Lodging or Transportation

Make reservations with a credit card or other form of payment to avoid holds on funds in your account. Then pay the final bill with your AAA MemberPay card.

Purchasing Online or Via Mail

Ensure the card's registered address matches the entered billing address. Variations may lead to declines.

PERSONALIZED CARDS

After the first card reload, the primary cardholder is automatically sent a new card in the mail embossed with his or her name. Once activated, all funds will transfer to the new card. Customers can request personalized secondary cards for a \$2.50 fee by calling Customer Service. Personalized cards will have a new card number.
